# BOARD OF DIRECTOR'S KUDOS

"Mary & Staff, Great job last night (Legislator's Night on 8/24).

We had a really good attendance and I believe everyone went away pleased with the evening. Kudos to all who made the night enjoyable for our legislators and their guests."

-Tom Wamp,  
Vice-Chairman of the Board,  
Livingston County  
Board Member

# CUSTOMER KUDOS

"Dear Mary, Last night (Legislator's Night on 8/24) was fun and educational. I've never been to Batavia Downs, and I had no idea what it offered! I think it would be a great way to spend an afternoon with friends (or out of town relatives visiting) watching the trotters, enjoying the food and drink and sunshine. The security guards are so pleasant and accommodating. Each one I encountered asked me how they could assist me (probably because I look confused most of the time) and if we were having a good time. So an extra kudos to them. Thank you for inviting me. Please extend my thanks to the Board of Directors.

Sincerely,  
Margaret Li from Seneca County  
Board of Supervisors Clerk

# Family Fun Day

## MANAGER KUDOS

Thanks to all the staff for putting on one of the most well run and efficient Family Fun Day/Weiner Dog races in recent memory! Arna and her Player's Club staff along with Lindsay and her Host Staff did a great job helping organize the dogs and run our event tables. TJ, Sara and Mary not only helped with the event set up but also with everything related to the running of the dogs. Thanks to the Food and Beverage staff for all their hard work in the booths as they were packed all day. Security did a great job keeping kids out of 34 Rush and helped guide people where to go as we have a lot of new people visit the facility on days like this! Even with the threat of thunder and rain we got everything done and everyone had a great time. Excellent work by staff
