**Marcy Newton**  
Environmental Services

"Recently as Marcy was walking into work, a man was having a medical issue on the grounds of Batavia Downs. Marcy was able to help him while others called for help. She was compassionate, caring, and very calming not only to the person who had fallen ill, but to the others who were offering help. She was able to communicate with the man and he was clearly counting on Marcy's calming demeanor as he lay waiting for help. That is an outstanding Batavia Downs employee! Thank you Marcy!"

-Deanna Gottler, Office Manager-Building & Grounds Supervisor Environmental Services
