July Employees of the Month

Caitlin Neeland
Graphics Specialist/
Video Coordinator

"The entire graphics department is constantly being pulled in different directions and are in high demand. CJ continually impresses me with her calmness and ability to pump out the work that is demanded of her by everyone. She is able to make any changes quickly and without any complaint, even if it is an arduous task. While Luba was on vacation, CJ continued to work methodically and quickly taking care of Marketing, Food & Beverage, Print Ads, E-mail Ads, Racing, and anything else that came her way without complaint. CJ is organized, creative, and deserves to be recognized for her dedication and hard work throughout the year."

-Lindsay Matikosh, Promotions Manager

Ralph Perillo
Telephone Data
Technician

"Not only does Ralph do a superb job daily, but for the Preakness, he volunteered to help at one of the OTB Branches and literally gave a customer 'the shirt off his back.' He was wearing a Kentucky Derby T-Shirt and this customer did not get a shirt on Derby day so Ralph gave him the one he was wearing. This is just another example of the great customer service provided by our employees. Thanks Ralph."
