October Employee of the Month

Benjamin Miles Floor Supervisor

"Ben was recently called to a game for a patron concern about a payout. Ben calmed the patron and did everything within his powers to find an answer for the patron. He did not let the situation go and the patron is very thankful for that. If Ben had not followed through, the vendor never would have known there was a statewide issue with the particular game and the patron would not have been as happy as they are now.

Ben is a very hard worker and takes his job to heart. He is the main supervisor for the drop and has it down to a science with the drop team making the drop run very smoothly and effectively "

-Robin Hughson, Manager – Video Gaming Operations
