## MANAGER KUDOS

Submit your manager kudos to the graphics department at

**ANY TIME**

for the next employee newsletter to express thank you's, congrats, and a job well done to all the AMAZING employees who put in their hard work for Batavia Downs Gaming & Hotel.

I would like to nominate the host staff (Mikala, Terry and Jenna) for manager kudos. Our department has been short staffed recently and they all have been amazing at stepping up to help out whenever needed. From helping with marketing events, helping at players club when there are long lines and even helping different departments such as racing when needed. All of the hosts are always happy to lend a helping hand wherever it is needed to ensure customer satisfaction. They are a hard-working, team oriented staff and are true assets to the casino. They all have amazing customer service skills and are quick to assist a guest complaint and do what they can to ensure the guest leaves with a good experience under their belt.

**Great job!**
