January Employee of the Month

Megan Rosato & Lindsey George 34 Rush

I would like to nominate staff members Lindsey George and Megan Rosato as Employees of the Month. Together both Megan and Lindsey took quick action when a distressed customer was making comments about harming themselves. Working together Security was notified and appropriate steps were taken in a timely manner to defuse what could have been a potentially dangerous situation.

Additionally; both Megan and Lindsey recently stopped a group of people who attempted to utilize fake identification to obtain alcohol within our facility. They very calmly contacted appropriate staff and the entire group was escorted out by local authorities.

We thank both Lindsey and Megan for being sharp-eyed while they are on duty and conscientious in ensuring our patrons are protected when visiting our facility.

I would like to take this opportunity to thank all Batavia Downs/OTB staff for working together to get the job done during our recent weekend of bad weather. Working together with Management and getting ahead of the snow that was moving rapidly we were able to ensure that all of our OTB staff was advised of early closings to ensure safe travel home. Additionally, adjustments were made there at the Downs to provide a safe environment for staff and patrons. Great work by all involved!
